

## QUALITY POLICY of YPOSTIRIXIS GROUP

**YPOSTIRIXIS GROUP** is a socially responsible body, whose philosophy and consequently its function, is inspired by the principles of corporate social responsibility, with basic concern for people, the environment and culture.

The Quality Policy of **YPOSTIRIXIS Group** is expressed by:

1. the establishment of necessary specifications, so as to provide its customers with services that are characterized by high quality and meet the required and necessary criteria
2. the adoption of measures for environmental protection
3. ensuring health and safety in all the areas of its operation

The progress of **YPOSTIRIXIS Group** lies in keeping the timetables, the quality of the provided services, its consistency, but mainly in the opinion of the customers who give their feedback for the companies to adjust and improve its performance. The objectives are reviewed by the management at regular basis to confirm their appropriateness.

**The leadership, the employees, and partners of YPOSTIRIXIS Group are committed:**

- ✓ to the implementation and continuous improvement of the quality systems that each company of Ypostirixis Group chooses to apply
- ✓ to the philosophy of continuous training to ensure high quality services, environmental protection and risk management regarding safety at work
- ✓ to the reduction of non-compliant services and used raw materials
- ✓ to the protection of the environment and to the protection of human life
- ✓ to the compliance with the National and EU legal and regulatory legislations
- ✓ to the periodic review of the policy regarding its updating and appropriateness
